**RESOLUTION***New Delhi, the 12th June 1956*

No. AE.Ind.6(3)/56.—A licence to manufacture Diesel Road Rollers has been issued to Messrs. Jessop & Co. Ltd., Calcutta. It is also proposed to grant a licence to Messrs. Britannia Engineering Co. Ltd., Titaghur for the production of Steam Road Rollers. A few more applications for licences to manufacture Diesel Road Rollers were received, but they were rejected by the Licensing Committee. Representations have been received against the decision of the Licensing Committee, on the grounds that domestic demands are considerably larger than what has been assessed by Government and that they are bound to increase in the near future as the industrial development of the country gains momentum. After careful consideration, the Government of India have decided that a Technical Committee should be appointed consisting of:

1. Dr. B. D. Kalelkar, Industrial Adviser (Engineering), Ministry of Commerce and Industry (Convenor).
2. Shri K. N. Sharma, Director of Inspection, Directorate of Supplies and Disposals, New Delhi.
3. Shri R. S. Bhalla, Deputy Materials and Plant Officer, Roads Wing, Ministry of Transport, New Delhi.

2. The Committee will assess, in consultation with State Governments, the Ministry of Defence and other interests concerned, the domestic requirements of Diesel Road Rollers during the next 10 years. They will also investigate the possibility of exporting such Road Rollers to neighbouring countries. On the basis of such assessment and investigations, they will examine and report on the following:

- (i) Whether it is necessary or desirable to license an additional unit for the manufacture of Diesel Road Rollers either independently or as an addition to its current lines of manufacture;
- (ii) which of the Diesel Road Rollers in respect of which applications had been received and rejected are most suitable to Indian conditions and which applicant firm has the necessary equipment and technical personnel to undertake the manufacture;

(iii) such other matters as the Committee may think fit in the interests of development in India of the Diesel Road Roller industry on sound lines.
